About SMTF

We believe in training students to serve on board Foreign Going ships in the Merchant Navy as Marine officers. In process they become valuable assets of our country. As they become part of Indian merchant navy they are taught to be ambassadors of our country and make all of us proud of their hard work, sincerity and devotion to their profession. We aim to motivate students that to excel in all these Fields of study. At the point of historical view, we are serving maritime industry over decades in crew management in Mumbai and suborn areas. After studying the current requirements of maritime education we had started up with Educational hub i. e Pune, with team of young marine professionals with the brand name "Seaton Maritime Training Foundation"

The Institute offers courses specializing in Marine Engineering, Nautical Science and with the aim to create a pool of trained professionals who will emerge as world class Deck and Engine officers.

VISION SMTF

Within the next decade, the SEATON MARITIME TRAINING FOUNDATION (SMTF) will be known and recognized as the well-known institution of research and consultancy in India and beyond".

- To be the Maritime Academy of choice for students to undergo quality training and partner of choice for International shipping companies for recruitment of seafarers.
- Provide the highest quality licensed officers and other personnel for the merchant marine and national maritime industries.
- To provide excellent inclusive Marine education with high values and to reach the unreached, and inspire young minds to develop critical thinking and problem solving skills with a life-long enthusiasm for inquiry and learning

MISSION SMTF

- Educate future global maritime leaders
- Contribute to maritime capacity building and the development of effective policies of equal opportunity for the global maritime community
- In offering quality training to make the prospective Mariners , imaginative and inquisitive in their attitude and mind set to have clarity in thinking, service to society, courage in moral conduct and self-confident in self for the bene of mankind
- The hallmarks of its operations are meeting international standards, teamwork, discipline and professional integrity.

BASIC ENTRY COURSE

This is 90 days merchant navy awareness programme along with mandatory STCW course approved by D.G. Shipping, Govt. of India. This is specially designed for the candidates who are willing to make their career in merchant navy but having low budget. STCW is consist of shipping training courses that are given to ensure candidates and crew safety on board a ship and equips a seafarer with various types of situations that can arise on a ship along with ways to deal with them. Through this specialised course, we are preparing a new breed of well-trained, highly qualified merchant mariners who are skilled with technical as well as soft skills needed to launch successful careers in the Merchant Navy. Under this program we sponsor & train the seafarers and after the successful completion of training we place the crew on board on the vessels under our management.
